# FX4x Series

## PLEASE PASS THIS INFORMATION ALONG TO END USERS

Dear Valued Customer,

Thank you and congratulations for purchasing a VeEX® product. This product has been carefully developed and thoroughly tested according to strict company procedures and international standards and is designed to operate reliably for many years to come.

The **FX4x series** optical testers come in several configurations (standalone optical power meter, light source, and optical loss testset (OPM + OLS), port adapters, and calibrated wavelength combinations. Included contents are the FX4x chassis, 1-Year Warranty Card, Carrying Pouch, and AC Adaptor/Power Cord.

As part of our Green Initiative, VeEX does not include printed manuals with product shipments. They are all available online, with this document serving as a convenient way to access such information. For direct access to documentation and resources, use your smartphone or tablet's camera to scan the following QR codes.

### Product Registration

Please register your product to benefit from the warranty, software applications, technical support and specific updates related to your test set. https://www.veexinc.com/support/productregistration
Since groups may share test sets, you should also register as a user at https://www.veexinc.com/register

### Warranty

A printed copy of the warranty coverage is included with the shipping documents. To check the current warranty status of any VeEX product, please visit: https://www.veexinc.com/support/warranty

## Product Documentation

The latest versions of the product's user manuals, quick guides, application notes, specifications, etc. are available in electronic format from the product's page:
https://www.veexinc.com/products/fx40series
https://www.veexinc.com/products/fx45series

## User's Manual
