art. 07-686

ZANCA LEGGERA 15/23

Bracket with adjustable height (15 to 23 cm).
 Ideal for fixing masts used in the antennas and dishes installation.

Equipped with welded plate on the base with two holes for wall mounting using anchor bolts or threaded rods.

The tubes are made of steel, electrolytically galvanized.

The measures are in mm, unless otherwise specified.

Dimensional and thickness tolerances are allowed by the regulations that establish the quality of the raw materials used.

Articolo	07-686
